Methodology
Ascend2 benchmarks the performance of marketing technology, strategies and tactics using a standardized online questionnaire and a proprietary 3-Minute Survey format.

This survey was fielded to a panel of marketing influencers and research subscribers during the week of September 4, 2017.
The email marketing channel continues to dominate the digital marketing landscape in terms of performance.

But what strategies and tactics are having the greatest impact on email marketing in 2017?

To find out, Ascend2 and our Research Partners fielded the 2017 State of Email Marketing Survey. We thank the marketing influencers responding to this survey for sharing their valuable insights with us, and you.

This report, which is titled the 2017 State of Email Marketing Survey Summary Report, represents the average of all the market segments responding to the survey. Specific market segments from the survey are reported on separately and exclusively by our participating Research Partners.

This research has been produced for your use. Put it to work in your own marketing strategy. Clip the charts and write about them in your blog or post them on social media. Please share this research credited as published.
